

KNA Junior Representative Player Summary

The aim is to distribute the rep talent amongst many clubs to ensure a fair and equitable competition.

Each player that is selected in the KNA representative program (Under 11 to Under 15) will attract 1 point.

For players aged 16-18 who are playing Cadets, if they were in the KNA representative program when they were in the Under 15 age group, they will attract 1 point.

Teams in the Under 11, Under 12, Inter and Cadet age groups will be allowed a maximum of 5 points in each team.

The exception to this is if:

- the team exceeds 5 points, but all the players are considered home grown, or
- the Club applies to KNA for an exemption.

Any Rep player that wishes to change Clubs must get KNA approval.
