

## **KNA METRO LEAGUE 2025 INFORMATION SHEET**

Welcome to the KNA online nomination system. Please ensure you read this information before proceeding to the online nomination page.

DOOLEYS Metro League is one of the premier netball competitions in New South Wales, offering week in, week out competition for the state's most talented netballers, coaches, umpires and administrators. The competition is an open age competition for players turning 16 years and over in 2025.

In 2024, KNA fielded teams in Divisions 1, 4, 5 and Development Series of the Metro League Competition. In Division 1, 4 and 5, KNA was in the top 3 associations in their respective divisions. KNA will again seek to enter 4 teams in this competition (TBC) depending on nominations received for 2025. The NNSW Grading Committee determines team grades and therefore KNA cannot guarantee the Divisions in which our teams will eventually be graded.

We anticipate the 2025 Metro League Competition will again have 6 Divisions and be played over three weeknights at Netball Central, Homebush.

Tuesday (Div 3 and 4)  
Thursday (Div 1 and 2)

Games times alternate each week at either 7:00pm or 8:30pm.

### **KNA Mission Statement**

To continually develop KNA as a premier netball association through the provision of leading edge representative programs, which develops talent, fosters teamwork and encourages the pursuit of personal and team excellence.

### **Selection Process**

#### **Selectors**

The Senior Representative Selection Convener, the Head Selector along with Senior Selectors will form the selection panel. The team coach/s will also be part of the selection panel if appointed prior to selections.

#### **Selection Information**

- Players must attend all trials. Players unable to attend all trials must apply in writing as mentioned previously.
- Playing in previous year/s Metro League, Summer Series, State Championships or Representative season competitions does not guarantee selection into a Metro League team the following season/s.
- KNA has a player “loyalty” policy for all teams. Whilst KNA is willing to accept players from other Districts, such selection will be dependent upon the standard of those players as compared to the current KNA players and the team balance. Preference will always be given to current KNA players in circumstances whereby the players are judged to be equal in ability.
- The team selections will not be based entirely on the selection trials, but also on performances this season at Metro League, Summer Series (if applicable) and State Titles.
- The selectors will base their decisions on their own observations, coach’s reports and consideration of future development of players. Experience, ability, commitment and attitude will be considered.
- Team balance will also be considered when making selections to ensure that each position has suitable coverage.
- The selection of teams may not be completed following the initial selection trials and may include other players who meet criteria as determined by the senior rep selection committee and appointed coach.
- All trial players will be advised by email of the outcome (i.e team offer or non-selection) following selection trials. All players offered a place are asked to email a reply within 48 hours of the team offer being made.
- Players who accept a team offer and then chose to trial at other Associations or do not withdraw from positions already obtained at other Associations will have their accepted status changed to under review.
- At this stage we cannot confirm the number of teams that will be entered in the 2025 competition. Should there be significant withdrawals from teams and insufficient suitable waitlisted players to fill vacancies then the number of teams to be entered will be reduced.

#### **Conflict of Interest**

Should any of the selectors have a relative who is trialing this constitutes a conflict of interest, and accordingly they will not participate in any discussions or vote concerning their respective relatives position in a team.

## **KNA Senior Representative Player Commitments 2025**

The following conditions and commitments must be read and agreed on the nomination form for your application to be accepted. If you have any concerns or questions regarding trials or other selection issues please contact [knasenioreps@kna.com.au](mailto:knasenioreps@kna.com.au).

### **KNA Player Mission Statement**

To represent our Association and my team to the best of my ability and ensuring that the ideals of netball - participation, fitness, competition, teamwork and, above all, sportsmanship are always maintained.

### **KNA Representative Commitments**

Representative players not only make a commitment to KNA, but just as importantly they make a commitment to the rest of their team. Absences from training, games and any representative functions (other than those absences that cannot be avoided) are unfair to the team, KNA and those players who were not fortunate enough to be selected in a representative team.

It is expected that all KNA senior representative players selected meet the following commitments:-

- Attendance at each game. Players should attend games even when injured to support their team. (minimum requirement is 85% attendance)
- Attendance at each of the scheduled training sessions at least one session each week of 1.5 – 2 hours duration. (minimum requirement is 85% attendance)
- Attendance at pre-season fitness training sessions (at least one session each week of 1 hour duration)
- Attendance at fitness training sessions or second training session (if applicable for your team) - one session each week throughout the season for 1-1.5 hours duration (minimum requirement is 75% attendance)
- Attendance and coaching at at least two KNA Metro League junior club coaching clinics
- Attendance at any organised training games as appropriate
- Attendance at the Senior Representative End of Season Function
- Attendance at NNSW presentation ceremonies held following respective Championships or Competitions
- Players must apply to their Coach and/or Senior Rep Selection Convenor for approval of leave greater than 1 week during the preseason or playing season.
- Players unable to train/play for more than 1 week due to injury will need medical clearance to resume training and playing.

Failure to meet the above Representative Commitments may lead to the player being withdrawn from their representative team on the recommendation of the KNA Representative Committee and at the sole discretion of the KNA Executive.

### **Player Code of Behaviour**

It should always be remembered that you are representing KNA at all times whilst playing matches, attending carnivals, and visiting other Associations. Netball NSW has a Code of Behaviour Policy <https://nsw.netball.com.au/sites/nsw/files/2022-03/Final%20CLEAN%20-%20NNSW%20Codes%20of%20Behaviours%20-%20091121.pdf> that we expect our players to adhere to, and any deviations from this conduct will not be accepted. Whilst we wish all players to really enjoy their representative experience, it is also important that we do so whilst respecting those around us. Failure to maintain the expected Player Code of Behaviour may lead to the player being withdrawn from their representative team on the recommendation of the KNA Representative Committee and at the discretion of the KNA Executive.

### **Parent/Guardian/Spectator Code of Behaviour**

It should always be remembered that you are representing KNA at all times and inappropriate comments or behaviour, verbal abuse or public criticism of players, coaches, umpires or officials will not be tolerated under any circumstances. Coaching from the sideline will not be tolerated. Netball NSW has a Parent/Guardian/Spectator Code of Behaviour Policy at <https://nsw.netball.com.au/sites/nsw/files/2022-03/Final%20CLEAN%20-%20NNSW%20Codes%20of%20Behaviours%20-%20091121.pdf> Failure to maintain the expected Code of Behaviour may lead to the player being withdrawn from their representative team on the recommendation of the KNA Representative Committee and at the sole discretion of the KNA Executive.
