This was noted to Umpires Convenor, who also requested that clubs refresh the rule book with umpires given the change that has occurred since 2019.
- Raised by Brenda Williams: does the club need to update members beyond 5 years? Jo-Anne Perry confirmed clubs need to keep the accurate record at a club level and the WWC are valid for five years.
 - o Tina Tritton noted it was noted that Service NSW do notify members of 5 yrs. expiry, with 3 months' notice in advance of expiry.
 - o Jo-Anne Perry reiterated that confirmation of checks/maintenance of records by the club to KNA is requested, and clubs are required to keep the records/owner of the record as this is part of their duty of care.
- Raised by Katie Bonjor: should MPIO be a member of committee/or not? Laura: not a requirement to have MPIO separate to committee, but it is highly recommended, and Jo-Anne recommended that clubs do have the MPIO separate to committee to ensure confidentiality and integrity of the role.
